REFERRING PHYSICIAN'S INFORMATION

Physician's Name: _____ Signature: _____

Physician's Address: _____

OHIP Billing #: _____

Injury-specific *Synergy Movement Therapy* programs have been created by our physicians and rehabilitation providers, with the goal of educating patients on how to self-manage their condition. The program format consists of group classes with a maximum of 8 people led by qualified rehabilitative Pilates and yoga instructors.

PROGRAMS DESCRIPTIONS (ALL CLASSES LIMITED TO 8 PEOPLE UNLESS OTHERWISE STATED)

Back Care

This 4 class program emphasizes evidence-based core stabilization exercises designed to help with lower back pain. Suitable for the person with disc issues and degenerative disc disease.

Available Online!

<https://embodiaapp.com/courses/448-back-care-4-week-program>

ComputerFit

This 4 class program will target common conditions seen in computer users including myofascial/ muscular neck pain, wrist and hand RSI (repetitive strain/ tendonitis), and disc-mediated low back pain. Emphasis will also be placed on learning and applying ergonomic principles and good sitting posture.

Foot & Ankle

This 4 class program is specific to foot and ankle issues. Suitable for the student recovering from ankle sprains, plantar fasciitis, achilles tendonitis, dropped foot arches, and bunions.

Hip & Knee

This 4 class program will educate patients by highlighting exercises appropriate for hip and knee conditions such as patellofemoral syndrome, IT Band syndrome, Trochanter Bursitis, Osteoarthritis of the hip and knee, and muscle imbalances associated with knee or hip injuries. Pre and post operative hip and knee patients are welcome as this class is also designed to optimize conditioning prior to surgery and facilitate postoperative rehabilitation.

Neck & Shoulder

This 4 class program is specific to upper body issues. Perfect for the person with neck tension, tension headaches, rotator cuff injuries, and cervical spine problems.

Available Online!
